SENSOR

Viet Dung Nguyen

Hanoi University of Science and Technology

Dear Editors,

I refer the manuscript entitled "**SKIN LESION CLASSIFICATION ON IMBALANCED DATA USING DEEP LEARNING WITH SOFT ATTENTION**" to be considered for publication in **Sensor Special Issue "Machine Learning and AI for Medical Data Analysis"**. The reason for sending your journal is to express a new method of automatically classifying the skin lesion disease based on AI technology.

Their authors, the undersigned, declare:
- We confirm that neither the manuscript nor any parts of its content are currently under consideration or published in another journal.
- All authors have approved the manuscript and agree with its submission to Sensor.

Through this document, MDPI assumes exclusive rights to edit, publish, reproduce, distribute copies, prepare derivative works on paper, electronic or multimedia and include the article in national and international indexes and bibliographic databases.

Thanking you in advance for your cooperation and awaiting your prompt response.

Sincerely

Viet Dung Nguyen
